NO MORE DIETING!

S EVEN MONTHS AFTER AN *US* COVER STORY called attention to the rail-thin bodies of *90210* stars **Shenae Grimes**, 19, and **Jessica Stroup**, 22, they have been sporting healthier frames. An insider tells *Us* the 5-foot-3 Grimes (whom L.A.-based nutritionist **Christine Avanti** estimates weighs 110 pounds) now "eats and is

trying to be healthier overall." Meanwhile, the 5-foot-8 Stroup (whom **Avanti** says weighs 125 pounds) has cut back on smoking. "They knew they were setting bad examples," says the source, noting the *Us* cover helped spark the change. Further proof too thin is no longer in? **Lisa Rinna**, 45, was ordered to avoid exercise prior to posing nude in May's *Playboy*. "They wanted me to look softer," Rinna tells

Us. "It made me happy, because I wasn't killing myself for a perfection that doesn't exist."

Avanti says the 5-foot-7 Rinna is 113 pounds.

ON APRIL 16, **HULK HOGAN** — whose ex **Linda Bollea**, 49, is dating a 20-year-old — apologized for telling *Rolling Stone* magazine "I totally understand" **OJ Simpson**. Bollea blasted him, saying, "Hulk thinks he can do whatever he wants, to whomever he wants, whenever he wants."
